

The Houston Chronicle names Houston Swim Club to Houston's Top 100 Workplaces 2010

Houston, TX November 5, 2010 – **Houston Swim Club** has been named one of the Top Workplaces by the Houston Chronicle! The esteemed section, Top Workplaces, will be published Sunday, November 7.

Houston Swim Club was ranked 34th in the Small Companies list!

Produced by the same team as that of Chron 100, which reports the best-performing public and private companies headquartered in the Houston area, Top 100 Workplaces recognizes businesses nominated by their own employees and based on employee opinions about company leadership, compensation and training, career development, family-friendly flexibility, and values and ethics. Private, nonprofits and publicly-held businesses were included in the analysis.

The rankings in Top Workplaces are based on survey information collected by Workplace Dynamics, an independent company specializing in employee engagement and retention, from 118,555 employees at 188 companies.

The publisher of the Houston Chronicle Jack Sweeney stated, “The Chronicle is very proud to introduce our first Top Workplaces section in recognizing these outstanding Houston area companies. What better rating system than one in which the employees do the rating. We’re planning on making this informative section a major initiative each year.”

To qualify for the Houston Chronicle’s Top Workplaces, a company must have more than 50 employees in the Houston area. 1,352 companies were invited to participate. Rankings were composite scores calculated purely on the basis of employee responses.

Thank you, employees! Go, HSC!
