

NEW DOUBLE DIAPER POLICY

We will now be enforcing our new Double Diaper Policy. Beginning in February, ALL swimmers under the age of 3 OR swimmers over the age of 3 who are not fully potty trained must be double diapered to take a swim lesson at HSC. This may be two reusable diapers or one disposable and one reusable. One of the reusable diapers MUST be manufactured by I-Play and provided by us. We will give you your first diaper for free. If you forget yours or need an extra one, they will be for sale in the office for \$10.

We understand that some children may be 2 ½ or younger and may already be fully potty trained. However, there will be no exceptions to this policy. We will gladly explain our new policy to your swimmer if you do not want to be the one to tell them to wear a diaper again. Parents you can help us with this by calling them swim pants and not diapers. It is part of the swimming uniform. Children must wear them just like they must wear a bathing suit.

This policy is being put into effect to protect our pool, swimmers, and employees. We are following guidelines set up by the US Swim School Association. Swim schools in other states have had to close for almost a month at a time for decontamination processes. Our salt/chlorine system does a great job of keeping our water safe and clean for all our swimmers. It is not worth the risk to have a fecal accident in the water that may contain harmful bacteria or a parasite.

Thank you for your understanding!

We want the best environment possible for your children!
