POLICIES

Tuition must be paid at the time of booking lessons. Once enrolled in lessons, tuition must be paid by the 21st of the previous month in order to remain enrolled in same classes. (E.g. February payment must be received by January 21st.) Students enrolled in lessons who have not paid by the 21st will be held in the class until the 28th. During that week, payments will be accepted with a €10 late fee added. After the 28th, students will be dropped from the class. Any waiting lists for those classes will then be allowed to register, and students who have been dropped will need to re-register into the next available class time.

"Classic" Plan: Customers choosing the "Classic" plan will pay a set monthly fee, based on the number of days a student swims each week. Make up classes will not be available for lessons missed due to illness, vacations, etc.

"Flex" Plan: Customers who prefer to have the option of being able to make up missed lessons may choose the "Flex" Plan. The monthly fee includes a premium, which provides the option to make up a maximum of one, two, or three lessons missed per session, depending on how many lessons are attended per week.

HSC will only pro-rate lessons when you start in the middle of a session. In order for our staff to be with their families, we will be taking all legal holidays. These days will NOT be made up.

HSC does not issue refunds. In the event that more than four lessons are missed during a session due to extenuating circumstances, Houston Swim Club's Directors will review each situation on an individual basis.

As a courtesy, please give a two-week notice if you will not be swimming in the next monthly session. Cancellations made within 72 hours of the beginning of each new session are subject to a €10 cancellation fee per student.

Each lesson is guaranteed.

If you are not satisfied with a lesson, then please notify the Director immediately and we will gladly provide another lesson at no charge!

We do swim when it rains!
